

Required Summer Reading 2010

Summer reading is a valuable experience for all students and an important extension of our educational program. While helping to keep students connected to learning during the summer vacation, our summer reading program supports our objectives that each student becomes a life-long reader and learner.

8th Grade

8th grade students must earn a total of 30 points through the Renaissance Place Reading Program. Choose two books from the list below. The remaining points may come from student selections. Please use the AR finder for book choices.
